Summary Table of Medi-Cal Certified Eligibles  
Seniors and Persons with Disabilities, by County and Age Group  
December 2016 Month of Enrollment

Purpose

This summary table is intended to display counts of certified eligible Medi-Cal users enrolled in Seniors and Persons with Disabilities (SPD) aid codes, by county and two age groups, for the December 2016 month of enrollment.

Considerations

This report uses two age groups for Medi-Cal SPDs: Ages 0-64, and Ages 65 and older.

Counts include Dual Eligible users who are eligible for both Medi-Cal and Medicare services, as well as non-Dual Eligibles.

Please refer to the SPD Aid Codes tab for all aid codes used to define the SPD group. Definitions of aid codes are located in the Medi-Cal Provider Manual at:

<http://www.medi-cal.ca.gov/publications.asp>

The counts reflect reported totals for the month of December 2016. This report includes INCOMPLETE counts. The counts reflected will continue to be updated until the 12th update following the eligibility reported (i.e. December 2016).

The term "certified eligible" includes beneficiaries who have been determined eligible for Medi-Cal based on a valid eligibility determination. Certified eligibles do not include individuals who may be eligible to enroll in the program, or are in the process of becoming a certified eligible, but have not enrolled. In addition, the definition used here only includes beneficiaries who are eligible to receive Medi-Cal covered health care services during the month. This means that beneficiaries who must meet a share of cost (SOC), but have not met their monthly SOC, are not included in the counts. California's Family PACT members are also excluded.
