

## Fellows in the CHCF Health Care Leadership Program

Since 2001, the California Health Care Foundation has supported a [two-year fellowship](#) for clinically trained health care professionals, designed to help them develop the experience and skills necessary for effective vision and leadership in the health care system. Sixty-two people are currently completing the fellowship program, and another 450 are alumni. These fellows and alumni are listed below by cohort, starting with current fellows. We have included a link to each person's LinkedIn profile, where available.
