

Easily search and connect your clients to resources close to them

CBC recently launched Healthify, a search engine designed to help your staff navigate through service offerings across CBC's City-Wide Network. Healthify has mapped organizations, programs, and services to simplify your referral searches and help you find unique services such as; pet therapy, housing support, food pantries and legal services. It is **FREE** to CBC providers and as easy to use as Google. Best of all there is no additional paperwork!!!

Connect Clients to Services by Searching for services across the CBC Network and throughout New York City.

- Behavioral Health Services
- Education Services
- Shelters, supportive housing
- Food pantries, Farmers markets
- Criminal Justice support programs
- Transportation services
- Employment services... *and so much more!*

Healthify User Competition

Top 3 end-users WIN \$25 Amazon Gift Card

You and your agency can be spotlighted as an early adaptor of this innovative resource that supports easy connection to community services for your enrolled members.

Challenge Rewards

CBC's Top 3 Network Providers with the highest monthly referral searches will:

- 1) **Top three staff users will receive a \$25 Amazon Gift Card**
- 2) **Be featured in CBC's Monthly bulletin**

The monthly challenge will run in July, August and September 2018

To have a chance to win, agencies just need to contact CBC to assign staff a Healthify log-in. CBC will track agency and staff usage and announce the winners each month.
