## Implementation Milestones for CalAIM Reforms Expected to Impact Seniors and Persons with Disabilities

		<ul> <li>Mandatory Enrollment into a Managed Care Plan (MCP)</li> <li>Aligned Dual Eligible Special Needs Plan (D-SNP) Transition</li> <li>Enhanced Care Management (ECM)</li> <li>In Lieu of Services (ILOS)</li> <li>Institutional Long-Term Care (LTC) Carve-In</li> <li>Statewide Managed Long-Term Services and Supports (LTSS)</li> </ul>
2022	JANUARY 1	Mandatory MCP Enrollment: Statewide mandatory MCP enrollment of non-dually eligible Medi-Cal enrollees across all Medi-Cal aid codes
		<b>Aligned D-SNP Transition:</b> MCPs in CCI counties may transition enrolled dually eligible individuals into affiliated D-SNPs that were approved for that service area as of January 1, 2013
		<b>ECM:</b> MCPs in counties with HHP/WPC Pilots must implement ECM for existing HHP/WPC target populations
		<b>ILOS:</b> ILOS rate methodology available to MCPs statewide; (optional) ILOS implementation begins*
	JULY 1	<ul> <li>ECM:</li> <li>MCPs in counties with HHP/WPC must expand ECM implementation to additional target populations</li> <li>MCPs in counties without HHP/WPC must begin ECM implementation for select target populations</li> </ul>
2023	JANUARY 1	Mandatory MCP Enrollment: Statewide mandatory MCP enrollment of dually eligible individuals
		<ul> <li>Aligned D-SNP Transition:</li> <li>MCPs in CCI counties must have aligned D-SNPs operating and available to enrolled dually eligible individuals</li> <li>Dually eligible individuals in CCI counties who are not already enrolled in another D-SNP for contract year 2022 can only enroll in a D-SNP if it is aligned with their MCP</li> </ul>
		ECM: Implementation expanded to all target populations statewide
		Institutional LTC Carve-In: Institutional long-term care services carved in for MCPs statewide
2024	JANUARY 1	<ul> <li>Aligned D-SNP Transition:</li> <li>Dually eligible individuals in non-CCI counties who are not already enrolled in another D-SNP for the prior contract year can only enroll in a D-SNP if it is aligned with their MCP</li> <li>D-SNPs statewide that are not aligned with an MCP in the same county may not accept new enrollment of dually eligible individuals</li> </ul>
2025	JANUARY 1	Aligned D-SNP Transition: MCPs in non-CCI counties must operate D-SNPs
2027	JANUARY 1	Statewide Managed LTSS: All Medi-Cal enrollees are eligible for managed LTSS

\*ILOS are optional for both enrollees and MCPs, meaning that MCPs can choose which ILOS to offer and enrollees can elect not to use an ILOS. If an MCP chooses to offer ILOS, the offered services must be made available to all enrollees.

Notes: CCI is Coordinated Care Initiative; HHP is Health Homes Program; WPC is Whole Person Care.
